# Posit

I want but that's nothing new.

I posit no boundary between us.

I say you, I know you, I think so.

I know what world is worldly.

I know how death stays alive.

I never enter third person places.

I could go on forever.

#### Come to the Point

I am that I
that stations metaphor
on a boat to
be carried across.
that makes little
songs on banisters,
which are slipped down.
that slips down
antique devices,
china cutlery & white.
I am coming to
the point. I am
come to the point.
I am that I.

# Day Song

& this reflexivity, right now: how it bounds. how we are the sum total of our limitations. we catch glimpses. what's in the catching. what's beyond, behind, between: purple fear. bodies randomly chosen, for different reasons. dreams of form. charades. too bad, but always the knowledge, if we are lucky, of scattered constellations in the world. chewable. fragments. progress. only in patches. must. do.

# Illinois Sky

One could sink upwards into it, lose brown earthy stains. Conglomerated air-pockets,

tucked into figments, wide enough to lend temporality sense, day's square progress.

This I don't know about, this feeling, expanse contracted, sex impulse etherealized, I

can't see this w former eyes. It is, after all, a doorstep, just me entering me again—

cream purse, vulval sheen.

#### Lars Palm Dream

I was skulking in a dorm room with Lars Palm, who was chucking lobsters. A yellow

globule tried to get our goat; a wall started talking. Lars was furious. Some girls were

involved with us, as junk piled up.
Lars threw a lobster at the yellow globule,

roaring. It was a pivotal moment bare walls. Rubbish heap. Fucked globules. We left.

# Eyeballs

They sent a maid to clean Jocasta's

chamber, a stout ex-maenad, still

full of wine. She happened upon

the two eyeballs of Oedipus, doused

with blood, beneath Jocasta's dangling

feet. They were smooth, tender

as grapes. She pocketed them.

They became playthings for her cats.

Perhaps there is use for everything,

she thought, raising a glass to her lips;

and if I am a thief, who will accuse me?

#### Rowdy Dream

I was slumming @ Andrew Lundwall's. There was a demented cook called Seana w/ tortured ringlets.

There was a cooking issue, a food problem. I ate something. I stayed on the fifth floor, away from

rowdies on floors two & three. My Mom broke in, spoke of better food, more rowdies.

I wanted to be more rowdy, left floor five. Seana spoke gibberish to me in the kitchen.

I wasn't happy or unhappy; I was in the middle. All this time Andrew Lundwall sat on a throne on

floor one. I was making my way down there when I awoke— no food. I became rowdy.

# To Bill Allegrezza, after reading In the Weaver's Valley

"I" must climb up from a whirlpool swirling down, but sans belief in signification.

"I" must say I w/out knowing how or why this can happen in language.

"I" must believe in my own existence, droplets stopping my mouth—

alone, derelict, "T" must come back, again, again, 'til this emptiness is known, & shown.

# Waiting for Dawn Ananda at Dirty Frank's

in the syntax of

my vodka-tonic,

& in the neon

smoke-rings

kisses hang

before breezes

#### Le Chat Noir

I pressed a frozen face forward into an alley off of Cedar St., herb blowing bubbles (am I too high?) in

melting head I walked & it was freezing & I walked freezing into pitch (where's the) blackness around a

cat leapt out & I almost collapsed a black cat I was panting & I almost collapsed I swear from

the cold but look a cat a black cat *le chat noir* oh no

#### Girl with a Cigarette, Modern Painters cover, January '07

You don't mean it, do you? You don't know that the blue around yr pupils is sky in a vice, that your fingers are too complicated.

Nothing shows you that shadows over yr neck do not account for over-delicacy, that shoulders simply squared reveal damaged

breast-matter. You smoke, not knowing. You take a drag, too picture-esque. Your pose is a pose, your cheekbones simply ash.

# 10:15 Saturday Night

then like how bout we give this thing a chance or at least not bury it beneath a dense layer of this could be anyone, we could be anyone, anyone could be doing this, just another routine, another way of saying hello, & goodbye just

around the corner like a dull dawn layered thick in creamy clouds, ejaculations spent

#### Jessica Smith Dream

Jessica Smith was a corpse on a bed on a screen in front of me. She lay in darkness w an obscure head. I touched

the screen— it grew red. I touched her head on the screen & she was alive again, & blonde. I stepped back from

the screen, hearing her breathing. I felt as if I had performed an exorcism this was holy water. I shook

through the whole thing.

#### Dracula's Bride

I married into blood & broken necks, endless anemic privation, but

no regret. You see, hunger fills me. I like vampire hours (no

sleep), a blood-vessel pay-check, diabolical companionship, tag-team

seductions, guileless maidens about to be drunk.

We know what sweetness is in starvation. We've found, satiety

is death's approval stamp. If you crave, there is room left in you. If

you want, you are a work-in-progress being finished is

a cadaver's province. Better to suck whatever comes. II. Deposit

# Deposit

To build an I is to see it

rust, stripped down into pluralities,

so that I write against my own

evanescence dissolutions which don't allow

> palimpsests trees sans bark, molting

of interiors now, time future can

only reverse currents, enact withdrawal of

the phallus from fun, friction. To build an I

is to decoy it underground, after fashions.

#### The Point, Made

Seeds left, softening, somnolence, sleep in/beneath a patina of silt, salt waves heave above— slow, life lived in burrowing downwards— de-centered into diaspora, a sense (subtly, oil-slicked) of knowing how self has/maintains few points of coherence along the myriad veins of interior time— interiors sans cohesion, diabolical densities against coherence, beneath vertical turtles bound to their shells—dropped seeds crawl as they will.

#### Night Song

& what goes out, remains out. diminution determines. expanses opened by destruction. contractions towards space-birth. a going-off in all directions. gloriously center-free. aligned with arbitrary, arbitrations. moments to airpuncture. aggressive pursuit of time past. to strip back as bark. roots just left as roots in the ground. immobile as pure objects, taking off subjects ad infinitum. the rhythm— no one listens. remains composed.

#### Manayunk Sky

Facades on Main Street have a lift towards it, but the Manayunk sky isn't there, a mirage, a conglomeration

of spent wishes for a better human future which can never be lived in the blackened glare of well-trodden pavement. Its

expanse argues loudly for the subaltern and its accessibility, a superior up is down, a superior blue is black,

a superior open is packed tight into a closed linearity, night's deep recess. Now, I take the trouble

to interrogate pavement, which can only deny truths of not-surface, hotly.

# To Augustine, after reading his "Confessions"

If you really did find something or someone immutable, freed from torturous progress, I can't say I don't believe—

If you came to rest apart from the unworkable aligned profoundly with profundity's alignment, congrats from a still point—

If I seem cynical, catching your desperation as tides confounded you, I at least know your death, its heft, text, all plumbed

by me, or someone else.

# Waiting for Dawn Ananda at the Bean Café

To have to play a hand
(shall I ever get a hand in?)

poker gives you five fingers—

yet I catch in the South St. air

ten fingers or a spider's eight legs,
immobilized behind a dense space—

#### 10:30 Saturday Night

You see it (the word) all over the old stuff, "satiety," never think what it means until you get it, the entire package, and it still can't mean much because she's a repository for bad vibes, evil impulses, like ghosts of old movies, and in her mind it's always a scene for her to play, especially now that the deed is done, against the grain, not a sin

merely a circumstance, but heroism which could be (telling the truth now the truth's against me) is subsumed by the anonymity of sports bras not decoyed in darkness—

# **Decoy Dream**

You were one of the twelve of you doing what you were doing; promised a part in a Communist parade, a five year contract to be who you were against eleven imposters—I saw you on South St. on my thirty-sixth birthday, you had pigtails, and as you lied to the barrista about working at Condom Kingdom (for seven years), I remembered Loren Hunt on the floor of Gleaner's bathroom on mescaline—

#### Decoy Dream II

I was sitting outside Westminster Arch smoking a butt in the February chill, when you passed me (you can't

see in movies how your ears stick out, how tall you are, or that the jet-black mop on your head is cut short), stood

in the doorway with something wistful in your posture, as if I'd killed you, buried the chance that your endless

decoy vigil could end; in other words, I was putting you down. In truth, I was.

#### **Absinthe**

Situations which, to face properly, you might want to experience a floating sensation (as though you'd hit the ceiling)—

they've closed the Eris Temple on 52<sup>nd</sup> and Cedar; if there were (as has been suggested) corpses beneath the floor-

boards I didn't see them, nor did I notice the imposed regime change five years ago and, yes, I would've cared, but then I

remember, this is Philly, heavy on inversions and abasements, situations you can and cannot float over, and the syrup poured

over your efforts takes back what it gives, towards justice, balance, deathly intoxication—

#### **Orpheus**

is that his songs need to be sung

to attentive audiences, not little rapists—

he's always on the run these days,

maenads hunt him down, unwind his

parts, so that he's too loose, a ball

of rubber, who can't front, body

public, seed so much in the

street that he's more urchin

than artist, they dice up his

babies, it's a never ending cycle, yet

he keeps his lyre in tune,

because (he thinks) who knows, he's

learned not to look back, and raps

don't reach him anymore—

# To Courtney (Double Entendre)

yes, the family wanted me dead, but I killed you off nonetheless, just as the Asians predicted (Dragon born in a snow-storm),

& the picture remains filed away, as do your years of rowdiness, the child that you were, & killed, leaving "double entendre" in my

hands, driving my cart/plough over dead bones, knowing

our marriage of heaven & hell-

#### Dracula

Few know: Augustine and I had a life as twins, we each dealt with

temporal successiveness, he had his way, I mine— I forever remain closer

to the immutable than he—a clod of earth, weaned on the richness of blood,

which makes me more subterranean than you can even see, a gliding,

velvet-suave underground, confessing nothing, finding "sin" fraudulent

in circumstance, a multi-tiered universe as scabrous at the top as at the bottom—

my rhetoric aims, still, at Augustine, for he (also) is immense, and has his

immensity against me somewhere secret, private, his dark Carpathians,

inaccessible to a mere clod, a covetous one.

III. Re-Posit

#### **Re-Posit**

What becomes of an I posited

in a holocaust?
You are
against what is—

you linger on what is from inside

a cul-de-sac, held up only by yourself,

in rigors, overwhelming, past returns.

Now I, immobilized, saunter

as interiors remake themselves, scaffolding

> put up of whatever solidity

inheres, only in here.

#### The Point, Beyond

So much space inheres, so much withdraws from what space opens, light from blue-tinted suns & skies, so that leaks of seed may only be caught when one's back is squarely turned, towards more maintenance. As circuits express boundaries, what "I" inheres has a sense of endless reign, half-accepted, half-rebelled against, but mobile seeds & selves past horizon, gone. Crosses drop— barbed wire ambience, seeds of fathomless lows, brilliant clarities.

# Midnight Song

& thus, moonlight on leaves. visions contract. breath decoys possibility, but midnight witches. to grasp for the moon. receptivity stretches its limits. droplets of blood: farce/face. shelled creatures lurch from bodies of water. portents position themselves. sheathed in blue again, as intermittent presence. what clear facades against the darkness— pane beyond pain. bricks arrayed, cut by lines— all progress just arrangements of cloud. firmaments un-reflected.

### Main Line Sky

Clouds conglomerate against notions of isolation, dispersal into atoms; sovereign against human contingencies, which neglect

the arbitrary's ultimate importance in composing form and then function; streaks of sun, floating segments, as morning dissipates potentialities

in and out of glass doors, opaque to how all might coalesce past the imposition of will. Our distinctions, exposed in this fashion,

are meaningless, gambits sans grace; moods made jagged as we are watched & never alone from processes pulsing above/beneath us,

so much funneled into sky's antithesis.

# To Joseph Conrad, after reading "Heart of Darkness"

If the spirit of universal genius is meant to float down the river into naught, to be attenuated by the jealous against authenticity,

& if it turns quotidian life into an unworkable mess, as universal genius attempts to forge alliances above spheres which must be minded on Earth,

& if it expresses itself to the crass, & the crass is everyone, & Kurtz understands the parasitism involved, saturation in/by malevolence, then

I'm down the river, up forever—

# Waiting for Dawn Ananda @ Volo Coffeehouse

As you may never come as
you once came, they have a
likeness of you serving coffee,
who bares her navel against
your sovereign grande dame
status, but she's contrived as
an \$8 sandwich I can't afford—

# **Tranny Dream**

I find myself in bed with a woman with a man's crotch, & find this unacceptable, & so excuse myself into an autumn evening in North Philadelphia, looking for a train station, finding more nudie bars. I get trapped in an enclosed space with a stripper, done with her work for the night, who counsels me against taking the train home, that I can sleep with her backstage at her bar. I push past, into the night again, & am assailed on all sides.

### Midnight Saturday Night

You said (it was a way of saying), pray you touch my parts in such a way that you don't damage them, but of course I can't touch your parts except to damage them when the times are so forbidding that to have parts not backed by gold is to have no parts at all, & it can't be crisp as it was, fresh as it was, ripe as it was, as your cauldron is full of grease, against

holding on to anything but allergies, & I am allergic to the idea of doing this if a new cauldron cannot be forged, & you're (& I'm) a fox walking on ice in a blasted landscape, & at midnight we crash into this together—

#### Murder Dream

There was a concert somewhere, I was there with a college friend who wound up betraying me, & I murdered the son of a bitch with a shot-gun; they told me I could get off scot-free if it was only one murder, & as I sat in the balcony trying not to notice a show of cadavers onstage I angled my behaviors so as not to offend them.

Next shot: I saw the dead man's life pass in sequence before me, & he was bound by a five-year contract to die shortly anyway, which is probably why they let me off, even as the cadavers played invisible instruments into open air—

# Eris Temple

That night I got raped by a brunette chanteuse, I lay on the linoleum floor of the front room sans blanket, & thought

I could hack it among the raw subalterns of the Eris Temple, who could never include me in their ranks, owing to my

posh education; outside, on Cedar Street, October gave a last breath of heat before the homeless had to hit rock bottom again, &

as Natalie lay next to me I calculated my chances of surviving at the dive bar directly across from the Temple for the

length of a Jack & Coke, North Philly concrete mixed into it like so many notes—

# Orpheus II

If Orpheus is forced to sing

in abject solitude, nothing changes—

his lyre retains its form/function,

vocal nodes sound identical proportions—

the song leaves into distant lands

& reaches, echoes among strangers

he'd like to love, but for now he only

hears his own echoes, & haunts

his own dreams of an Over-World,

inverse-plutonian around authentic

intensities, & clarities searched for are found,

as though they're there—

#### Dracula on Literature

You can't tell me you don't feed on the mysterious disappearance

of the need to do this that raw life & blood would suffice to

satisfy, & gird you against the grinding towards sphere-music

you fancy you make. I've lived a thousand years among human

souls, all in need of blood, little else, and words are no blood

at all— what suffices for such as you is (as you say) a

simulacrum of blood, with limited flowpotential, & as such

I counsel you (if you ask) to feed on something more wholesome—

don't scoff— wholesome is not relative for the human species,

& your words are dirt, feeding no one directly, & those who feed are

suspect, chilled by exposure to terminal frosts, unable to bite

what might suffice in the end...
